Dear **Mohammed,**

We're pleased to welcome you to Grantgras as a Digital Marketing Strategist.

This role is remote, with scheduled meetings for internal and client discussions. While work ing hours are flexible, maintaining an active window between 10:00 AM and 6:00 PM is reco mmended to ensure smooth coordination and timely project execution.

You will be on a probation period of three months, during which your performance, communication, client handling, and strategic contribution will be reviewed. Grantgras reserves the right to discontinue employment during this period with a 15-day notice. Upon successful completion, your position will be confirmed.

1. **Your core responsibilities include:**

- Planning, creating, and managing digital marketing campaigns across platforms
- Overseeing social media strategy and coordination with the creative team
- Managing client communication and relationships
